I spoke to a lady called Sonia explained everything as I did in all the above calls to the other local councils licensing teams but got told she was not part of the team as such and there was no one at that time that could take my call she asked to take my details and would get someone to call me back.

Jillian called me back a while later and I explained again what I needed advice about. I told her about the ASBO and all the conditions and again asked whether this was affect any application for an Alcohol and entertainment licence, again I was told the process that is taking and again was told there would be issues with someone applying for an Alcohol and entertainment licence with the ASBO conditions that where in place.

Again, I did not get the person's name she did say it but i forgot to write it down. But i am sure they note calls that are made to any council department.

Again, I told the lady the call was for advice and told her about the ASBO and all the conditions, I again was told the process that is taken when someone applies for an Alcohol and entertainment licence.

Again, I was told that the police licensing officer would do checks and a report back to the local council, I was told it would be very hard for someone to get un Alcohol and entertainment licence due to the checks that were done.

I was also told that if an application for an Alcohol and entertainment licence was refused the person could then has it heard by 3 council committee members where the person that had applied for the licence could put his case? I asked would the police be there also and was told yes, they would be.
