Hi Martine,

I will need power for 2 microwaves and one mini fridge, all running on a normal 3 amp plug.

Thanks.

Hello all,

THIS IS VERY IMPORTANT!

In regards to the power provision for the Ponders End Festivals, we will have a generator so we are able to offer you power for the day.

However, in order for this to be done we need to know what your requirements are on the day. i.e. what you will be running? e.g. 2 tea urns, microwaves etc.

It would be helpful to know if you are running any thing different from a normal 13amp plug.

You will need to bring with you sufficient extension cables to plug into the generator.

Please note if you do not provide me with accurate information it may make it difficult to guarantee you will get the power you need.

Please get back to me.

Thanks.
