- This statement refers to an illegal rave which took place between 6th June and 8th June **2014** on the industrial Estate near Woodgrange Avenue.
- On Thursday 14th August **2014**, I spoke with a resident, who lives in Woodgrange Avenue, Enfield. The resident is an elderly female and both she and her husband are retired.
- She has stated that on Saturday 7th June **2014**, she contacted Police regarding a rave that was happening on the industrial estate close to her home address. Her reason for contacting Police was because the music noise was horrendously loud, and this was disturbing their peace and had been going on for some time. She states that both her and her husband were extremely distressed about this whole incident because something similar had happened in the past.
- She states that lots of youths had been jumping over fences and she was very concerned and frightened about this and feared that something would happen to them or one of their neighbours. This made them both extremely anxious, nervous, and made them worry.
- This lady is worried that an incident like this could happen again. She did not want to provide Police with a direct statement as she is frightened that the organisers could trace where they live and make their lives even more of a misery.
- She is extremely concerned that something like this may happen again in the future.

This statement refers to her how an illegal rave held in progress way Enfield impacted upon me and my family's life drawing the period between Saturday the 7th of June and Sunday the 8th of June 2014. I am the above-named person an what I say in this statement is best to my knowledge and memory from the dates mentioned progress way is approximately 1/5 of a mile away from my address as the crow flies.

My address is known to the police.

On Saturday 7th of June 2014 approximately 0120 hours me and my family were woken by a very loud thumping music. I could hear that the music was coming from the direction of an industrial state on progress way.

It was so loud and deafening. it was a hot evening an even with all the doors and windows closed I could hear a consistent thumping noise that left me to have no sleep all night I even had to wear ear plugs but they didn't help me at all I called the police for the first time to report this but they said

They were aware as other people had already called to report this. approximately 2:00 PM the music stopped for 15 minutes and then started again fruit in the morning I contacted the police again shortly after the music started and they referred me to the noise nuisance team unfortunately there was no one there to answer the call. music carried on all night and into the next day it totally wrecked my weekend at 1000 hours Saturday morning we left are home to go a family gathering and returned back in the early hours of Sunday the 8th of June 2014 at around 0100 hours. on our return I could not believe that the music was still playing! I could not believe that I may have to suffer another night of no sleep I felt miserable and cranky this affected my family due to the fact I had no sleep the music continued until the early hours of Sunday morning causing me to get no sleep, I contacted the police again and also spoke to a member of the noise nuisance team at the council who told me there was Very little they

could do due to the amount of people in attendance at least at a legal rave. this type of illegal rave is not the first time it has happened hell that progress way one took place over Christmas 2013 which kept us up as well! I really hope the person organising these types of events stops as he is causing so many problems from me a resident of Enfield.

On Wednesday the 11th of June 2014 I had this occasion to attend
