Accused Date 06/06/2014.

Accused Date 07/06/2014.

• **The rest of the 07/06/2014 table is below!**

- **Statement off:** Eric Baker
- Police Officer 219382
- **Dated 19/08/2014.**
- He is a police officer in London Borough of Enfield and tasked to contact residents of the Borough who had called police to inform them of an illegal rave that took place over Friday **07th June 2014** and Saturday **8th June 2014**, in a warehouse in Progress Way Enfield
- On Tuesday **19th August 2014** I contacted the caller of CAD **10471/07June 2014** by telephone that was happy to give an impact statement about how illegal rave affected her and her husband over the above dates mentioned.
- The caller wishes to remain anonymous. I will refer to her as complainant "A" The original notes taken from the below statement are present in my pocketbook serial 370/14, page 1.
- Complainant "a" said it was a warm evening and we had to keep the windows shut because of the noise. The next day we could not even go out into the garden because of the noise. It kept me and my husband up all night and made us very anxious the next day. The illegal rave totally ruined us weakened" This concluded what complainant 'A' said about this matter.

Mr. Simon Cordell will say, "that at no point did he take part in any form of Anti-Social behavior, and he did not organize or hire any equipment to this private house party neither was he attending a rave on the **6th 7th 8th June 2014th?**

This statement (consisting of page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

I am a nationally accredited Public Order Gold and Silver commander and regularly command events and incidents in Essex as part of my role.

On the 6th June 2014 at approx 16.30 hours, I attended an area of Aveley Essex, known as Davey Downs country park. At a location under junction 31 of the M25, I saw a number of marquees being erected (four). The land around the site was clearly in the open air. Having confirmed that the land was owned by Thurrock council and no permission was in place to use it for a rave, I approached a male who at first introduced himself as Daniel the organiser of the event. I had been given intelligence that this male was in fact a Chris Lewis. When I challenged him on this he confirmed he was actually Chris Lewis born 24/02/1975, white north European. After a brief conversation I asked him to leave the land and served him a notice under S63 CJOPCA and told him he could not return. Mr Lewis took the notice and I gave him an explanation of the offence he was liable to commit if he failed to comply with my direction. I gave him three hours to remove the marquees and to vacate the land which he duly did. I left the land in the hands of Thurrock Borough council to secure.

Simon recived this on the 26th May 2016

CAD	Cad 5 of the day	749	Missing CAD Crown Rd		08/06/2014	Missing CAD	Page Mag 2 –
CAD	Cad 6 of the day	793	Reason one Is Crown Rd and this I will easily prove because of the Linked in CAD on page 3 at the top line “Re Linked CAD 1380” What must be 07/06/2014 due to them only being 793 calls as of this Cad. Cad 1380 would be the 5th CAD input inside of the Asbo folder for the 07 th day and given this place meant because only Pc Shinnick call while on duty was above other than cads 943 & 1012, Cad	Blocked Out /	08/06/2014	01:10	Page Mag 2 – 60,61, 62,63, 64

		<p>943 was never place fully inside of the Asbo and belongs to Crown Rd. While Cad 1012 linked to cad 943 allowing all calls about Crown Rd, so the Now Claimant got the blame for Progress Way.</p> <p>Reason two Another piece of evidence is that in Cad 793 on page 1 at the bottom and page 2 at the top there is a list of Linked: explicitly to & Linked: implicitly to: Cads and if you take note to the “Linked: explicitly to: “you will notice cad 2456 and if you look at the “Linked: implicitly to:” and take a note of CADS.</p> <ol style="list-style-type: none">1) 2649:01 Jun142) 2989:01 Jun143) 3274:01 Jun144) 3754:01 Jun14 <p>Page 2</p> <ol style="list-style-type: none">5) 5586:01 Jun146) 7983:01 Jun147) 8190:01 Jun14

			<p>8) 8528:01 Jun14 9) 6851:02 Jun14</p> <p>Reason three Time Laps If Cads 793 is the seven hundred and ninety third call of the day at the time of And Cads 2410 is the Also, Cad 3151 is the Cad 2410</p> <p>Cad 3151 Caller is 3 HOURS: 25 Minutes, should equal 741 callers the same as Cads 793 to</p> <p>On average there would have been 168 - 999 emergencies 999 calls made to the call center.</p>
